

Bandshow 1973' Concert Friday Night In AHS Gym

Music, fashions, and exhibits will be highlighted in Albany Friday night as two secondary schools and PTA Council salute April as "Public Schools Month." Starting at 7 p.m. student projects and paintings of the Adult School's Fine Arts and Crafts classes will be on display. Ceramics, woodcarvings, paintings, macramé, quilts, graphics, quilting and needlecraft will be exhibited in the Creative Arts Building of Albany High School. One hundred forty members of the Albany High School beginning, intermediate, and advanced concert bands will combine their talents to present "Bandshow 1973" at 8 p.m. in the AHS Gymnasium. The program is free and open to the general public. It is being presented in conjunction with the Albany PTA Adult Fashion Show, which will begin at 7 p.m. in the Albany Little Theatre.

Mrs. Peggy Thomsen, fashion show coordinator, announces that instructors and students of Albany Adult School's clothing classes, plus PTA members, will model spring fashions. Brief "fashion-magic" acts will complement the program. The beginning band, composed of young musicians who began

their musical training at Albany High this year, will begin the concert at 8 p.m. with the popular "Scarborough Fair," and two rock numbers featuring jazz drummer Mike Fellows. They will conclude with the Tijuana Brass favorite, "A Taste of Honey."

The intermediate band will follow with Frank Erickson's "Sonatina for Band," "Elijah Rock," by the black composer Jester Hairston, and "Dixieland Parade," featuring trombonists David Chamberlain, Claudia Saler, and Larry van Eckhardt.

At 8:30 p.m. the concert band will enter the spotlight. Featured will be a dance number, "Dixieland Clambake," with the band's flag girls, Linda Hiscoc, Laura Boverhuis, Linda Berry, Kathy Armstrong, Bonnie Miller, Cheryl Holstein, Chris Ames, and Suzanne Morandin. The number will also feature a Dixieland combo made up of Mike Miller, Greg Hazarabedian, Mike Overman, Jeff Pun, Ian Wright, Chrysti Van Eckhardt, Karen Hiscoc, and Liz Tice.

The concert band will also play the finale to Beethoven's Fifth Symphony, "Incidental Suite" by Smith, "Sequoia" by La Gassey, a medley of jazz-rock pieces by the rock group "Chicago," and the Spanish march "Amparito Roca." The march will be conducted by Michael Mirabella of the Albany High Spanish department.

The Albany High School bands are under the direction of Ernest Douglas, chairman of the school's music department. This concert will be the 39th annual event for the Albany High School Band, which has represented the city and the high school at civic, athletic, and cultural events since 1934.

Following the concert there will be a reception for band members and their guests, sponsored by the Albany High School Band Boosters.

Wednesday Night Movie Schedule

This Wednesday's free family movies at the Albany Public Library will be: "Elsa and Her Cubs," a color documentary about the famous "Born Free" lioness, and "The Caterpillar and the Wild Animals," an animated film based on an African folk tale.

The show starts at 7 p.m., and lasts approximately 45 minutes. For further information, please call the Library, 526-3720.

Note of Thanks

Editor, The Times:
Last Tuesday night we had an opportunity to see Albany's fine Police-Fire Department ambulance crew in action for the first time, when John suffered a heart attack.

Their promptness, efficiency and kindly performance of duty impressed us both and we would like to take this means of thanking them. Albany is fortunate to have such a service.

Council Resolution Seeks To Reopen Albany Land Fill Area To Contractors

Members of the Albany City Council expressed concern about the lack of fill area at the City's land fill site, at Monday night's meeting, and passed a resolution seeking the cooperation of the Bay Conservation and Development Commission, and the Army Corps of Engineers, to use fill being excavated from the Central Post Office facility site in Richmond, to fill cells already diked in the Albany Land Fill area, and to build and fill new cells with clean construction debris and other matter already stockpiled on the existing land site.

The Council, who had been approached by the contractors seeking permission to use the Albany Land Fill area because of its convenient location, urged the Corps of Engineers to rescind their "cease and desist order," previously issued.

The Council claims that unless the contractors could use the local Land Fill area, the Post Office project could be detrimentally slowed down or possibly stopped, since the fill would have to be hauled many miles away, and at much greater expense.

Council members also introduced and adopted a resolution commending Olive Bentley on her retirement, after 18 years with the City Health Dept.; and a second resolution setting forth guidelines for Environmental Impact Reports on projects undertaken in and by the City.

The City Attorney, Larry Saler, was instructed to prepare a resolution to be presented by the Mayor at the May 12 retirement dinner for Albany School Superintendent Kenneth Forry.

St. Mary's College High School was granted an extension on a garage sale permit, as the sale was postponed because of

rain, and the Zonta Club of Berkeley was granted permission to hold a second garage sale, because of a misunderstanding of an Albany ordinance, which forbids anyone from holding a second sale within a year.

An April 16 public hearing was set to hear and act upon a vari-

ance permit for Michael Lewis to install at 4' 10" high fence on his property at 611 Adams St.

A recommendation from Fire Chief Gerald Browne, recommending the appointment of Edward DeOliveira to permanent fireman as of April 1 was approved, and a letter from Mrs. George Bernard, regarding BART noise, was referred to City Administrator James Turner, who informed the Council that the Associated Home Builders were loaning the City some noise determining equipment to use later this week, and he would report the findings to the Council next Monday night. Councilman Richard Clark, a member of the BART Board of Directors, said he had previously reported other complaints from Albany citizens regarding the noise, but as yet nothing had been done.

Opponents Still Seek To Block Hill Development

The City of Albany and Interstate General Development Corporation won the first round in the recent action, by Friends of Albany Hill and the California Public Interest Law Center of San Francisco, to halt the development corporation's construction project on the Hill, when Alameda County Superior Court Judge Lionel Wilson refused to issue a restraining order against the development last week.

However, a class action suit, seeking to stop the construction, has now been filed by the two

opposing groups, who claim among their membership both Albany and El Cerrito residents.

The suit claims that the environmental impact report, previously presented by the developer, is not complete enough, and also seeks "assurances that the trails, bicycle paths, picnic spots and children's playhills" which have been used by the trespassing public, be retained and protected.

Declarations attached to the suit, by those claiming to have used the undeveloped areas in question, were signed by Catherine Webb, Richard Rogers and Marco Meniketti of Albany; two El Cerrito teenagers, Scott Sorensen and Tensley Downey, and Jean Siri of Richmond, a Girl Scout leader.

The suit, which is directed against both the Albany City Council and the developers, will be considered by Judge Wilson in a hearing in Alameda County Superior Court, Thursday, April 19.

Film Variety

Tomorrow Night

Tomorrow night's "Thursday-at-the-Movies" program, scheduled for viewing at the Albany Library, will feature a trio of short but enjoyable films.

They will be: 1. "Pilgrimage to Solitude," a color film of the remote valleys in the southern part of Switzerland, the Ticino and historic churches.

2. "Insomnia," an alternately comic and chilling film about an insomniac who tries to read himself to sleep with a vampire tale. This is a foreign color film.

3. "Coral Jungle," a condensed version of an episode from the TV series "The Undersea World of Jacques Cousteau," a beautiful example of color photography.

The free film program is presented every Thursday night at 7:30 p.m. at the Albany Library, under the auspices of Friends of the Albany Library, and is open to the public. The program lasts approximately one hour, and no books will be circulated on Thursday nights after 6 p.m.

NOTICE

Albany residents are being asked to save their newspapers for members of Boy Scout Troop 14, who will be conducting a paper drive Friday, Saturday and Sunday, April 13, 14 and 15.

A truck will be parked on Washington just below San Carlos, on those days, and papers may be dropped off there and someone will be on duty to help load and unload.

Anyone having questions about the paper drive may have them answered by calling Scoutmaster Bill Gilreath at 525-4768 or 273-5466.

AN ORDINANCE CALLING A SPECIAL MUNICIPAL BOND ELECTION IN THE CITY OF ALBANY FOR THE PURPOSE OF SUBMITTING TO THE

ELECTORS OF SAID CITY THE MEASURE OF INCURRING A BONDED INDEBTEDNESS OF SAID CITY FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF THE FOLLOWING MUNICIPAL IMPROVEMENTS, TO WIT: PARK AND RECREATION IMPROVEMENTS; DECLARING THE ES-

TIMATED COST OF SAID MUNICIPAL IMPROVEMENT, THE AMOUNT OF THE PRINCIPAL OF SAID INDEBTEDNESS TO BE INCURRED THEREFOR, AND THE MAXIMUM RATE OF INTEREST TO BE PAID THEREON; MAKING PROVISION FOR THE LEVY AND COLLECTION OF TAXES; AND

FIXING THE DATE OF SAID ELECTION, THE MANNER OF HOLDING THE SAME, PROVIDING FOR NOTICE THEREOF AND CONSOLIDATING SAID SPECIAL MUNICIPAL BOND ELECTION WITH THE ALBANY UNIFIED SCHOOL DISTRICT SPECIAL BOND ELECTION TO BE HELD JUNE 5, 1973.

WHEREAS, the Council of the City of Albany (the "Council") by resolution duly passed and adopted at a meeting of the Council duly and regularly held, by affirmative vote of more than two-thirds of all its members, did determine that the public interest and necessity demand the acquisition, construction and completion of the municipal improvement hereinbefore mentioned, and did further determine that the cost of said proposed municipal improvement will be too great to be paid out of the ordinary annual income and revenue of said City and that said municipal improvement will require an expenditure greater than the amount allowed by the annual tax levy, and will require the incurring of a bonded indebtedness therefor, which resolution was duly entered on the minutes of said meeting of the Council, and is now on file and of record in the Clerk's office of said City; NOW, THEREFORE,

THE COUNCIL OF THE CITY OF ALBANY DOES ORDAIN AS FOLLOWS:

Section 1. A special municipal bond election shall be and is hereby ordered and will be held in the City of Albany (the "City") on Tuesday, June 5, 1973, at which election shall be submitted to the qualified electors of the City the question of incurring a bonded indebtedness of the City for the objects and purposes set forth in the following measure, to wit:

CITY OF ALBANY BOND MEASURE

MEASURE (A): (Park and Recreation Improvements)
Shall the City of Albany incur a bonded indebtedness in the principal amount of \$500,000 for the acquisition, construction and completion of the following municipal improvement, to wit: Park and recreation improvements, including acquisition of real property, grading, paving, landscaping, playground equipment, and other works, property or structures necessary or convenient for park and recreation improvements for the City of Albany?

The estimated cost of the municipal improvement as set forth in said measure is the sum of \$500,000 and the amount of the indebtedness proposed to be in-

creased for said municipal improvement is the sum of \$500,000. The estimated cost hereinabove stated of such municipal improvement includes legal and all other fees incidental to or connected with the authorization, issuance and sale of the bonds evidencing the indebtedness proposed to be incurred for such municipal improvement and the costs of printing said bonds and all other costs and expenses incidental to or connected with the authorization, issuance and sale of said bonds.

Section 2. The Council does hereby submit to the qualified electors of the City at said special municipal bond election said measure set forth in Section 1 of this ordinance, and designates and refers to said measure as the measure to be set forth on the form of ballot hereinafter prescribed for use at said election.

(a) Said special municipal bond election shall be held and conducted, and the votes thereof canvassed, and the returns thereof made, and the result thereof ascertained, and determined, as herein provided, and in all particulars not prescribed by this ordinance, said election shall be held as provided by law for the holding of municipal elections in the City.

(b) All persons qualified to vote at municipal elections in the City upon the date of the election herein provided for shall be qualified to vote upon the measure submitted at said special municipal bond election.

(c) The polls at the polling places hereinafter designated shall be opened at 7:00 o'clock A.M. of said day of election and shall be kept open continuously thereafter until 8:00 o'clock P.M. of said day of election, when the polls shall be closed (except as provided in Section 14436 of the Elections Code), and the election officers shall thereupon proceed to canvass the ballots cast thereat.

(d) Said special municipal bond election hereby called shall be and hereby is consolidated with the Albany Unified School District bond election held in the City on June 5, 1973, all as required and pursuant to law and the proceedings of said District, and the election precincts, polling places and officers of election within the City for said special municipal bond election hereby called shall be the same as those selected and designated for said school district special bond election.

Said special election precincts and polling places therein, and election officers appointed to conduct said election thereat, shall be as set forth in orders designating said election precincts, polling places and election officers on file and of record in the office of the Registrar of Voters of the County of Alameda, City of Albany, State of California. Only qualified voters of the City shall be permitted to vote at said special municipal bond election. The Registrar of Voters of the County of Alameda is authorized to canvass the returns of said special municipal bond election with respect to the votes cast in the City, and certify the results to the Council.

(e) On the ballots to be used at said special school district bond election and said special municipal bond election hereby consolidated therewith, in addition to all other matters required by law to be printed thereon, shall appear the measure set forth in Section 1 hereof. Each voter to vote for the measure hereby submitted and for incurring said bonded indebtedness shall stamp a cross (+) in the blank space opposite the word "YES" on the ballot to the right of said measure, and to vote against said measure and against incurring said indebtedness shall stamp a cross (+) in the blank space opposite the word "NO" on the ballot to the right of said measure. On absent voter ballots the cross (+) may be marked with pen or pencil.

(f) At the next regular meeting of the Council occurring after the returns of said special municipal bond election have been canvassed by the Registrar of Voters of said County, and the certification of the results thereof to the Council, or at a special meeting called thereafter for such purpose, the Council shall cause to be spread upon its minutes a statement of the results of said special municipal bond election as ascertained by said canvass.

Section 3. The Council proposes to issue and sell bonds of the City for the objects and purposes not exceeding the amount specified in said measure, if said measure shall be approved at said election.

Said bonds shall be negotiable in form and of the character known as serial, and shall bear interest at a rate not to exceed seven (7) per cent per annum, payable semiannually (except that interest for the first year after the date of said bonds may be made payable at or before the end of said year). Provision is hereby made for the payment of the principal of and interest on said bonds as follows: At the time of making the general tax levy after incurring the bonded indebtedness, and annually thereafter until the bonds are paid or until there is a sum in the treasury set apart for that purpose sufficient to meet all payments of principal and interest on the bonds as they become due, the

Council shall levy and collect a tax sufficient to pay the interest on the bonds and such part of the principal as will become due before the proceeds of a tax levied at the next general tax levy will be available; provided, however, that if said bonds are authorized to be issued at said election, and it is expected that all or any part of said bonds will be sold at such time that the principal of or interest on such bonds will become due before the proceeds of a tax levied after such sale would be available to pay such principal interest, the Council, at the time of fixing the annual tax levy, may levy a tax in an amount clearly sufficient to pay that portion of the principal of and interest on said bonds which it is expected will become due before the proceeds of the next succeeding tax levy will be available. If the earliest maturity of the bonds is more than one year after the date of issuance, the Council shall levy and collect annually a tax sufficient to pay the interest as it falls due and to constitute a sinking fund for the payment of the principal on or before maturity. Every ordinance for the issue of any of the bonds shall provide for a tax levy for each year to meet the annual serial installments of principal and interest, and such amounts shall be included in the tax levy for each year. Such taxes shall be levied and collected as other City taxes and shall be in addition to any other tax levied and shall be used only for payment of the bonds and the interest thereon.

Section 4. The City Clerk of the City is hereby directed, upon the passage and adoption of this ordinance, to publish the same once a week for two (2) weeks in the ALBANY TIMES, which is a newspaper of general circulation published less than six (6) days a week in the City, and such publication shall constitute notice of said election. No other notice of the election hereby called need be given.

Section 5. This ordinance shall be forthwith entered upon the minutes of the Council and in the Ordinance Book of the City. This ordinance, being an ordinance calling and ordering an election, shall take effect from and after its final passage and approval.

PASSED AND ADOPTED on April 2, 1973, by the following vote:
AYES: Councilmen
NOES: None
ABSENT: None
